Subject: Knowledge 2000 and Efficient Learning Systems

Dear Joe ...

My name is Wendy Heald and Jonathan F. Walker is my now ex-husband.

I am hoping you and/or someone in your firm might be able to provide information concerning Knowledge 2000 shares of stock as well as Efficient Learning Systems shares of stock.

John Walker gave to me a certificate of 50,000 shares of Knowledge 2000 stock in 2002. I am still in possession of that original share certificate. It is not numbered and I do not believe that I ever received notice from Efficient Learning Systems about the opportunity to exchange K2K shares for ELS shares. Can you tell me if it was ever registered on the books of Knowledge 2000? (Copy attached).

Secondly, Would you please tell me if those shares were exchanged for the 23,500 shares that Ted Foley transferred to me in July-August 2006? (copy of cover letter, share certificate and Agreement attached).

Thirdly, as I recall, because I missed the opportunity to exchange the K2K shares for ELS shares, I have a dim recollection that Ted Foley gave me the 23,500 shares out his own pocket, are you able to verify that?

Many thanks for any assistance you might be able to provide in this matter.

Sincerely,

Wendy Heald
